Dear Mr. Sousa,

Please find enclosed a copy of the Souvenir Journal that was produced for our 5th Annual Salute to Service Awards Dinner which was the most successful dinner thus far. We gave scholarships worth \$12,000.00 to four students – Robin Douglas, Dani Raynor, Kaye-Anne New and Ciara Talbot, all pursuing careers in the medical field.

On behalf of the Bermuda Health Foundation I wish to thank you for your contribution to our scholarship fund. Hopefully you will contribute towards our scholarship fund again next year.

Yours truly,

Philip Butterfield,
Chairman
