Dear Mr. Sousa,

Re: First Church of God – Health Fair June 20/21

On behalf of the Medical Emergency Response Committee of the First Church of God,
thank you for the plants you donated to our Health Fair.

Your donation was much appreciated by the plant lovers and we know they have gone to
some good homes.

We have received many positive comments from the attendees about the meaningful
experience the fair was for them. We greatly appreciate the part you played in its success.

We look forward to working with you again.

Yours truly

Lorna L. Fox
On behalf of the
Medical Emergency Response Committee
