Re: Luis Correia

Dear Jeff,

This is first of all a letter of thanks. During the past school year you helped with a contribution of \$500 toward school fees for Luis Correia's first year at Mount Saint Agnes Academy (MSA). Because of your support, we have enabled a promising young man to sidestep the pitfalls we identified that would likely impede his progress had he attended his regional middle school.

In response to your effort, Luis has excelled in his first year, chalking up As and Bs in most subjects and acquiring additional commendations from his teachers. For you, and our community, this investment in Luis' education is already paying off.

This letter has a second purpose, to ask you to extend your support to help cover the expenses for a second year at MSA for Luis. Current fees per year are \$11,430 and are expected to increase by up to 5% for next year. Please won't you consider matching or surpassing your support of last year?

As you may recall, all funds go directly to MSA where they are applied in their entirety to Luis's school fees.

I hope you won't mind a follow-up call from me over the next couple of weeks.

Thanks and kindest regards,
