RE: WindReach Harvest Festival

Dear Mr. Sousa,

On behalf of WindReach Recreational Village. I want to thank you again for your donation of seedlings for this year's annual Harvest Festival. This year's Festival was bigger and better then ever. Over 1600 people attended the event. The weather was perfect, and I think the hero's day celebration worked in our favor.

Over the years your support has insured that we can build this annual friend raiser. Your contribution toward this fun filled event is greatly appreciated and helps to promote programs of recreational, educational, and work experience opportunities for all persons with special needs, regardless of age or abilities. We want to thank you for being a community partner with us, and we're looking forward to working with you again next year.

Best Regards,

Jean Flath
Event and Programme Coordinator
