Dear Mr Sousa,

On behalf of the Alumnae Association I would like to thank you very much for your donation of plants to the Plant Stall. We had a lovely day for the school fair this year with a good turnout of BHS families and friends.

I am pleased to say that the Plant Stall raised \$2,900 which is entirely thanks to you and others who so kindly donated plants. The majority of funds raised will support the Jubilee Scholarship, which the Alumnae Association awards to qualified students, with any remaining funds given back to the school to support areas in need of improvements.

This has proven to be a successful event and we hope to expand our efforts next year and hope that, again, you may be able to assist us.

Thank you again for your generous support of BHS.

Regards,
