Dear Mr. Sousa

Habitat for Humanity of Bermuda
Annual Report

Please find enclosed a copy of Habitat's Annual Report of our activities for the year ending 30th June 2003.

On this occasion we reflect on the fruition of several years of development with the completion of three renovation projects. This Report therefore also acknowledges the support given over this time span. The Financial Statements are, of course, a record of this last business year alone.

We really do appreciate the generosity bestowed upon Habitat for the benefit of families in difficulty with housing, giving them, through all our participant partners, the opportunity to improve their homes and build more effective lives for themselves and others too.

We look forward to your continued involvement and welcome your enquiries accordingly.

Please extend our thanks to all the Directors of Sousa's Landscape Management Co. Ltd. and particularly for the equipment and services donated for the Rebel Cottage project.

Yours sincerely,

Charles E.K. Hollis
President
